

Documents and cash operations

DOCUMENT MAP OF A STAY

Four cash operations

Operation	Meaning	Document
Payment	Services already provided	Fiscal receipt, folio entry
Advance	Money for a future stay	Prepayment receipt, applied at check-out
Deposit	Guarantee, not revenue	Card hold slip or signed receipt
Refund	Money back to the guest	Refund receipt, guest request, manager signature

RULE

A deposit is never part of shift revenue. Show it on its own line.

Receipt, shift and reconciliation

**ALTYN ZHOL HOTEL
LLP**

**RECEIPT NO.
000418**

3

Operate

Receipt + PMS
posting

4

Bank cash

Excess to safe

5

Close

Z-report; count

6

Hand over

Log; two signatures

Reconciliation example

Cash movement	KZT
Opening float	50,000
Cash received	+312,000
Cash refunds	-12,000
Moved to safe	-250,000
Expected in drawer	100,000
Counted in drawer	97,500
Shortage	-2,500

IF CASH DOES NOT MATCH

1. Recount with a colleague. 2. Compare Z-report and PMS. 3. Look for an operation of the same amount. 4. If nothing is found, file an incident report. Never top up from your own money.
